Dear Mr. Colindres,

Referring to our letter DL/09913A dated 9 December 2009 you are hereby advised as follows.

As of today our new policy regarding commercial aircraft operated in Kazakhstan will be as follows.

Our Department will only accept aircraft for registration if operated by operators that already operate Aruban registered aircraft. No applications will be accepted from new operators.

Authorization for commercial operation will only be granted by our Department after satisfactory audit of the operator and the local aviation authority with respect to the particular aircraft type.

Other existing requirements will remain applicable.

This letter only applies for Aruban registered commercial aircraft based within Kazakhstan.
